

NORTENE®

TRIONET

Triple-action screen: privacy fence, windbreak and protection

Preserves your privacy with 85% screen cover. Protects from strong wind. In HDPE, 1.3 lb./10.8 ft.2. UV treated. No maintenance required.

Benefits

A special balcony extruded screen which has many advantages by combining 3 effects:
privacy screen: horizontal bands (85%)
windbreak: attenuates the wind with its airy structure
fence - safety (avoid falling objects)
Rigid, easy to install.
