

ALUPOST

Aluminium posts for positioning panels as a screen wall

The Mosaic decorative panel cannot stand on its own: it requires solid posts to be fixed into the ground. The Alupost posts have been specially designed for mounting the Mosaic panel. These aluminum posts are available in four different colors: anthracite, rust, green, and white.

Benefits

Accessories suitable for installing our MOSAÏC, PRIVAT, and CLASSIC panels together with PERFIX (bracket), BASFIX (base), and H-profile (for vertical installations). No tools required.

Can be cut to fit all spaces and needs.

UV-treated.

Maximum paint durability with QUALICOAT certification.

Characteristics

Aluminum posts.

Available sizes: 1.15, 1.975, and 2.15 m.

In 4 colors: anthracite, rust, green, and white.

Epoxy painted.

WARNING: This product is not intended for structural applications.
